We start with a 14 mins multi-media presentation followed by a 2 hour afternoon bus tour, (on our bus), with a step on guide explaining and showing us the traditional communities in the St. Jacob's region!

Stops will be done along the route as we view **Martin's Family Fruit Farm** orchard, past an **Old Order Mennonite school** and **rural Mennonite farms**. A comfort break while visiting a **rural café and bakery** that is operated by the Mennonites.

Great time to pick up some homemade desserts and other goodies in their store to enjoy back at the hotel!!

Following the tour, we arrive back at Homewood Suites where we will do a **craft activity**, **"Fraktur"**, where you can make your own Mennonite craft and take it home as a momentum of this great adventure!

A **traditional Mennonite dinner buffet style** will follow at 5:15 pm.

After our bellies are full, we'll depart for our 2 night stay at the **Holiday Inn & Express hotel**, Woodstock, ON.

**Day 2** starts with a full free breakfast at the hotel. We head to for an optional shopping stop at **Mary Maxim** in **Paris, ON** and then on to beautiful **downtown Paris, ON** for some free time and lunch. (Lunch will be on your own).

Back on the bus to go to a 2 pm matinee tribute music show of **"The Suits"**, by the **Walter's Music Venue** in **Bright, ON**.

**Gotta have live music in our trips!!**

Following the show, back on the bus for a short drive for a full dinner at **Quehl's Restaurant and General Store** in **Tavistock, ON!**

Enjoy a good home cooked meal and browse around the general store and historical items from the Tavistock area! Back to the hotel for our final night of relaxation.

There will be an **option** for evening entertainment at the nearby **Gateway Casino** in Woodstock.

**Day 3** starts with another full breakfast at the hotel.

We depart for **St. Jacob's Market** where you'll have time to pick up fresh foods and harvest items!

Use your \$20.00 gift voucher while you're enjoying everything the market offers!

Bring your own coolers to keep your items fresh! There will be extra coolers on the bus just in case you buy more than anticipated!

Can't forget about our final stop at our favourite place, **Picard's Peanuts!** **Great for snacking on the way home!!**
